

**Kenya's** wildlife is unrivalled by any other in the world, both in numbers and variety of species. Photograph the beauty and explore the endless wonders.

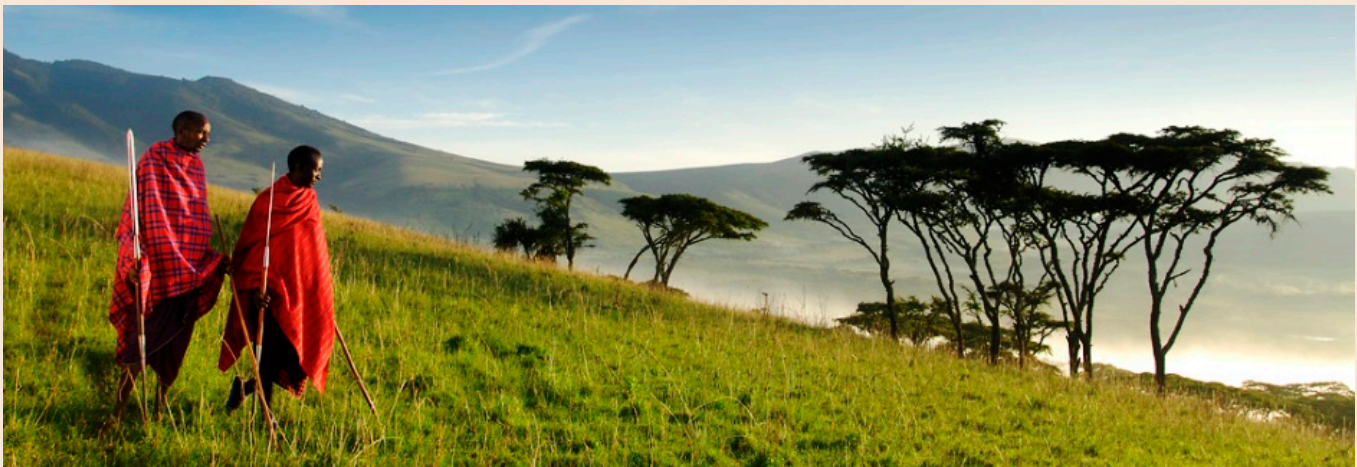

**Tanzania** home to Mount Kilimanjaro, four million wild animals and over 120 languages. The making for an unforgettable experience.

**Kenya & Tanzania Tour**  
 Private Tour prepared for RiverBend Travel Group  
 October 6th to 20th, 2022

## *“Capturing the wonders of Africa”*

*Tanzania is recognized, world-wide, for its breathtaking beauty, natural wonders and spectacular wildlife and one of the most popular African countries for travellers from all over the world. It is the largest country in East Africa and offers the perfect location to start any safari circuit. Home to Mount Kilimanjaro, Ngorogoro Crater, Serengeti., Tarangire, Lake Manyara, and Arusha National Parks. Tanzania is home to over 350 species of wildlife.*

*The primary focus of all adventure travel in Kenya is the wildlife, and like Tanzania is one of the finest destinations in the world for Safari's. Kenya has no single prominent culture that it identifies with. Instead, it consists of various cultures practiced by the countries different communities.*

*I'm pleased to present the itinerary I've prepared for the RiverBend Travel group. On this tour we have arranged a three nights stay at Tipilikwani Luxury Tented Camp, wait until you enjoy a sunrise with the wildlife. I'm looking forward to sharing two of the most beautiful countries in Africa with you and travelling with the group on your Africa adventure in October of 2022.*

### **Kenya & Tanzania Photo Tour - October 6th to 20th, 2022**

**Day One: Thursday October 6th, 2022** Our motor coach departs London early Thursday morning for Pearson International airport, we will pick-up guests at RiverBend Club house. Guests departing from the Toronto region will meet the group at Pearson International. Our Ethiopian Airlines flight departs for Kenya via Addis Ababa at 11:00 a.m.

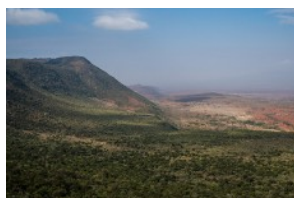

**Day Two: Friday October 7th, 2022** Our flight arrives into Nairobi, Kenya at 10:00 a.m. JAMBO - KARIBU!! (Hello and Welcome). We will meet our guides with a traditional, unique & special welcome with bubbly, hot/cold towels and presentation of authentic safari hat and essentials. We will transfer to our hotel for time to settle in and relax. Lunch/dinner own arrangements. Overnight Double Tree Hilton Hotel. (B)

Rothschilde Giraffe

**Day Three: Saturday October 8th, 2022** After breakfast check-out meet our jeeps and drivers guides and drive to Masai Mara Game Reserve. Enroute we will stop at the valley look out for our first view of the Great Rift Valley. We arrive at the lodge to a very warm welcome for lunch, then some leisure time to settle in to our tented lodge. This afternoon is the moment we have been longing for – we depart on an exciting game viewing drive. The Rolling plains and grasslands, stretching far into the horizons as far as the eye can see is home to the black-manned lion, the savanna elephant, the cape buffalo, wildebeest, the elusive leopard, cheetah, the spotted & striped hyena, the rhino, topi, burchelle's zebra, the Masai giraffe among many others. The Mara game reserve is one that can never disappoint. One is spoilt by the variety of bird and wildlife species in this game reserve. Mara Game Reserve has been known as the 'granary' of wildlife in Kenya. At sunset return to our lodge for dinner and overnight at Tipilikwani Tented Camp (B)(L)(D)

*(Images of our accommodations on page 7)*

### **Masai Mara National Park**

**Day Four: Sunday October 9th, 2022** Masai Mara Game Reserve a full day in Masai Mara with morning and afternoon game viewing drives in search of the 'big five'. Masai Mara is the northern most extension of the Serengeti Plains and one of the richest wildlife Game Reserves. It is home to the awesome black-maned lion, the elusive leopard, stately giraffes, vast herds of elephants, rhino, thundering herds of zebra, migrating wildebeest and numerous other plains game. A sunset return to our lodge for time to relax, dinner and overnight at Tipilikwani Tented Camp (B)(L)(D)

**Day Five: Monday October 10th, 2022** After breakfast another full day at Masai Mara Game Reserve. Because this is the day we will offer the opportunity for a morning hot air balloon ride. We will be out for the day and enjoy a full picnic lunch while out on safari. Continue with our afternoon game viewing drive before returning to our lodge for some leisure time, possible a swim or drink by the pool and dinner. **Optional Dawn Hot Air Balloon Ride** over the Masai Mara ending with a champagne breakfast. You may select this option when registering. Overnight at Tipilikwani Tented Camp (B)(L)(D)

Masai Villagers

**Day Six: Tuesday October 11th, 2022** Masai Mara Game Reserve to Serengeti National Park. Up early this morning, breakfast and we have arranged for a picnic lunch to take with us. We will be heading south towards Isebania and Sirare, the border towns of Kenya and Tanzania. After going through the immigration procedures at the border our guide drivers from Tanzania will take over from our guide driver from Maasai Mara we will then proceed to Serengeti National Park. En route we will have a brief stop to enjoy our picnic lunch. Continue with game-viewing drive en-route to our lodge check-in in the late evening. Dinner overnight at Serengeti Sopa Lodge (B)(L)(D)

Masai Manyatta Villagers

**Day Seven: Wednesday October 12th, 2022** Serengeti National Park offers up a beautiful landscape and is home to the black-maned lion, the savannah elephant, cape buffalo, wildebeests, the leopard, cheetah, the spotted & striped hyena, the rhino, topi, burchelle's zebra, and Maisi giraffe. One is spoiled by the variety of bird and wildlife species we will experience in this region. Overnight Serengeti Sopa. (B)(L)(D)

Zebra Masai Mara Game Reserve

Serengeti National Park Game Drive

Fischer's Love Bird

Serengeti Crossing

**Day Eight: Thursday October 13th, 2022** Serengeti National Park - After breakfast we depart to the Ngorongoro Conservation Area, proceeding towards the rim of the spectacular Ngorongoro Crater stopping occasionally to admire and photograph the breath-taking vista unfolding before us. Arrive for check in, after lunch. This afternoon we will have time to relax and enjoy the panoramic views of the crater. The Ngorongoro crater is the largest unbroken caldera in the world. It has been described as one of the great natural wonders of the world. Eight million years ago, the Ngorongoro Crater was an active volcano but its cone collapsed, forming the crater that is 610 meters deep, 20 kilometres in diameter, and covers an area of 311 sq. km. Spectacular as it is, the crater accounts for just a tenth of the Ngorongoro Conservation Area. The crater is home to many species of wild game and birds. With the exception of impala and topi (due to fierce competition with the wildebeest) and the giraffe (because there is not much to eat at tree level), almost every species of African plains mammal lives in the crater, including the endangered black rhino, and the densest population of predators in Africa. A strange thing is that the crater elephants are mainly bulls! The birdlife, which includes the flamingo, is mainly seasonal, and is also affected by the ratio of soda to fresh water in Lake Magadi on the crater floor. NOTE: Warm jacket/or sweater is highly recommended as the temperature change in the evenings. Dinner and overnight at Ngorongoro Sopa Lodge (B)(L)(D)

**Day Nine: Friday October 14th, 2022** Ngorongoro Conservation Area. After breakfast we descend some 600 metres into the crater, which is home to an abundance of wildlife and a photographic paradise, for a full day of game-viewing drive with picnic lunch at a private scenic site. Ngorongoro Crater, the largest intact caldera in the world teams with an abundance of wildlife permanently resident on the crater floor. Prides of lions, herds of cape buffalo, impala, Thompson gazelles, rhino, giraffes, golden & black-backed jackal, zebra, cheetah, leopard and the spotted hyena. Unmatched for its natural variety & breath-taking beauty, there are few places on earth where such a tremendous diversity of landscapes exist inside a region this size. Apart from its wildlife, the crater is also of great archaeological importance, with the remains of some of mankind's earliest ancestors discovered in the area, also a home to hundreds of bird species, refreshing in the small lakes in the crater floor. Return for dinner and overnight at Ngorongoro Sopa Lodge (B)(L)(D)

**Day Ten: Saturday October 15th, 2022** Ngorongoro Conservation Area - Tarangire National Park. After breakfast we will drive to Tarangire National Park; which of all Tanzania parks boasts of the largest number of savanna elephants. Herds of up to 300 elephants scratch the dry Tarangire river bed for underground streams, while migratory wildebeest, zebra, buffalo, impala, gazelle, hartebeest and eland crowd the shrinking lagoons. It's the greatest concentration of wildlife outside the Serengeti ecosystem - a smorgasbord for predators - and the one place in Tanzania where dry-country antelope such as the stately fringe-eared oryx and peculiar long-necked gerenuk are regularly observed. The swamps, tinged green year round, are the focus for 550 bird varieties, the most breeding species in one habitat anywhere in the world. On drier ground you may find the Kori bustard, the heaviest flying bird; the stocking-thighed ostrich, the world's largest bird; and small parties of ground hornbills blustering like turkeys. Other birds include the yellow-collared lovebird, drabber rufous-tailed weaver and the ashy starling - all endemic to the dry savanna of north-central Tanzania. Tarangire's lions climb trees, lounging in the branches where the fruit of the sausage tree disguises the twitch of a tail. Lunch followed by afternoon game drive in this area dotted with majestic baobab trees, the eland antelopes are among other game we will be photographing during today's game drive. Dinner and overnight at Tarangire Sopa Lodge (B)(L)(D)

**Day Eleven: Sunday October 16th, 2022** Tarangire National Park - Amboseli National Park. A full day at Tarangire national park. Get ready to explore the undiscovered Africa. After breakfast, we set out for our morning game viewing drive and look out for the wonderful game including elephants (the largest population in Tanzania), lions, 550 species of birds, tree climbing pythons among other animals. Lunch will be in a cool picnic site, then later carry on with our game drive. We'll return to our lodge in the evening for dinner. Overnight at Tarangire Sopa Lodge (B)(L)(D)

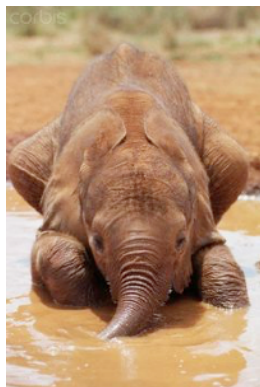

**Day Twelve: Monday October 17th, 2022** Tarangire National Park - Amboseli National Park an early breakfast we depart towards Namanga (the border town between Kenya and Tanzania). After clearing the immigration formalities, we'll continue our journey to Amboseli National Park, which provides the classic Hollywood image of Africa. Set in rolling savannah scenery, it is dwarfed by the presence of the pink-tinged, snowcapped peak of Mount Kilimanjaro, the highest free-standing volcanic mountain in the world and topped by one fifth of all the ice in Africa. Against this magnificent backdrop roam vast herds of 'giant' elephants accompanied by a kaleidoscope of other fabulous beasts - lion, buffalo, cheetah, giraffe, baboon, gazelle hippo and wildebeest. Amboseli National Park is also an ornithological paradise with over 400 species of birds, all manner of reptilian, flora and fauna and some of the most soul-searing views in Africa. Arrive at our lodge for check in and lunch. Enjoy an afternoon game viewing drive in search of the 'big five' among other animals. Here breath-taking scenery - one of the best places for a photographic view of Mount Kilimanjaro; weather permitting is next to none. Return to your lodge for dinner and overnight at Amboseli Sopa Lodge (B)(L)(D)

**Day Thirteen: Tuesday October 18th, 2022** Amboseli National Park and begin our return drive to Nairobi. Once we have checked into the Double Tree Hilton Hotel, lunch will be on your own. We will have some time this afternoon to relax and prepare for our journey home. Tonight's dinner is a special event with our Kenya tour hosts, The Manji Family who will entertain you over drinks and dinner at their family home. Overnight Double Tree Hilton Hotel (B)(D)

**Day Fourteen : Wednesday October 19th, 2022** Nairobi - Breakfast at our hotel then we will drive 8 KM's out of the city to the Daphne Sheldrick Baby Elephant Orphanage. This will give us an opportunity to get up-close to these amazing animals. They vary in age from a few months old to 3 years old. Each orphaned elephant is assigned its own keeper, who acts as it's mother and will stay with the elephant until it is re-introduced into the wild. We will also visit the Karen Blixen Centre at the foot of the Ngong Hills. This was the home of Karen Blixen who wrote Out of Africa. We will then visit the Giraffe Centre, where we will be able to see a herd of Rothschild's Giraffe which are endangered species. Over the years the Rothschild Giraffe has been bred at the centre and released back into the wild. Some great up-close photo opportunities here. Later this afternoon we will transfer to the airport for our 7:15 p.m. return flight to Toronto. (B)

**Day Fifteen: Thursday October 20th, 2022** Arriving into Pearson International airport in Toronto our overnight flight lands at 8:25 a.m. After clearing customs we will say farewell to our Toronto guests, board our motor coach for our return drive to London arriving back to RiverBend at approximately 12:00 noon. Welcome home with the hopes of many memories from an amazing journey.

Daphne Sheldrick Baby Elephant Orphanage

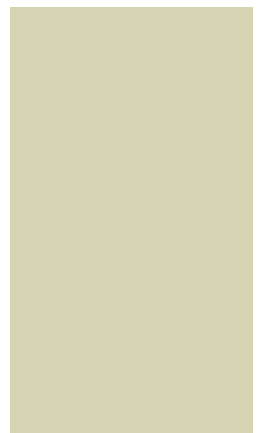

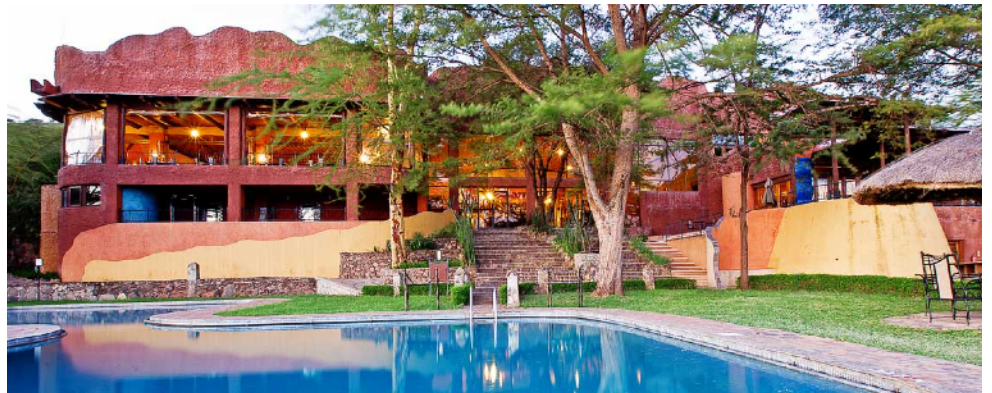

## Our accommodations while visiting Kenya & Tanzania:

Every journey is unique and one of the best experiences in Africa is listening to the sounds of the jungle. Being up-close to the wildlife activities completes that experience. Below are some images of our lodges and tented camp.

Tipilikwani  
MARA CAMP

Tipilikwani Luxury Tents, Serengeti Sopa Lodge, Ngorongoro Sopa Lodge, Amboseli Sopa Lodge a few of our accommodations

## *Making your African Adventure Easier ....*

*Kenya and Tanzania offers up some of the most spectacular photo opportunities African landscape has to offer. The temperatures in Kenya remain fairly constant year round with an average daily temperature of 25 C to 27 C with slightly cooler temperatures on the coast. Tanzania is very similar in temperature with the crater region getting cooler in the evenings.*

**Pre-tour Information Night:** As with all our tours, we will hold an information night approximately two to three weeks prior to departure. Here we will present the final itinerary, travel suggestions, what gear to pack, and hand out all related travel documents. The pre-tour presentation is designed to give our guests all the information needed for our trek. A date for the information night will be set as the tour date grows closer. Out of town guests are invited to connect via Skype.

**On-line Booking:** We are pleased to offer on-line booking for all our adventures. This is a quick and easy way to book your tour and provide all the travel information we need to make your trip worry free.

Since this is a private group tour your web page information and tour registration may only be reached by using the links below. The tour cannot be found on the public section of Photo Tour Trekkers website.
